

Hi5™

Spectator Seating

proven performance | contemporary comfort | convenient cleaning

Furnishing Knowledge®

Proven Performance

Hi5 spectator seating sets the bar for reliability. With installations around the world (through KI partner Sebel), it has proven its durability by standing the tests of time, weather, and intense spectator use.

Vandal-resistant seat-to-frame screwless attachment provides security and has no fasteners to rust or snag clothing. Gravity-lift seats return to folded position (no springs to fail). It all adds up to extended durability and low lifecycle costs backed by KI's industry-leading warranty.

Contemporary Comfort

Distinctive European flair gives Hi5 contemporary appeal and makes a welcoming impression. Contoured seats and backs provide ergonomic comfort, with a choice of either standard narrow back or large full back. And, the compact folded seat dimension allows more aisle room for easier egress.

Convenient Cleaning

Beam construction (floor or riser mount) has fewer concrete supports, which allows for easy walkway cleaning. Welded frames are galvanized for outdoor use or painted for indoor use.

For convenient cleaning, seats have clean lines and smooth surfaces with no ribbing or cavities to trap dirt or debris.

Versatility

Suitable for indoor or outdoor use, Hi5 spectator seating offers tremendous versatility for any venue ... stadiums, arenas, sporting fields ... anywhere large groups gather. Available with poly seats and backs or with upholstered seats and poly backs. Choose armless, with arms, or with cupholder arms. Accessorize with end panels, seat numbers, and row markers. Floor- or riser-mounted beams are straight only.

Welded, galvanized beam for outdoor use - also available in black powder coat paint for indoor applications

Cupholder arm

Standard narrow back or large full back

Molded-in logos offer branding and revenue generation opportunities

Cover: Aviva Stadium, (upholstered backs are special order) Dublin, Ireland

Back top: Brookvale Oval, Sydney, Australia
